

## THE MANAGER RESERVES THE RIGHT TO CHANGE HIS MIND

## OPENING GAME OF SERIES IS LOST

Manager Hester of the Great Falls team and his bunch presented one of the foulest exhibitions of the national pastime yesterday at Glenwood park that has been seen here in some time and won the game from Ogden by the close score of 4 to 2. Four innings passed before either side scored. It was necessary for all the Great Falls players to grit their teeth and dig in, in order to score against the Knights. There was a big measure of luck in the playing of the visitors.

Hester pitched his own game and he did it remarkably well. He appears to possess but one small curve, an out, but he outguesses the batters by the various places he is able to throw the ball. Ogden found him for but seven hits. Before the Knights knew what was happening, he had struck out four men in the first few innings of play.

Rustenhaven pitched a better game than the fans gave him credit for. His recent touch of wildness was evident in one or two places, but he held down the box in good shape considering the bunch he had to deal with. Not only did he fight the Great Falls batters but he had the fans against him as well.

The fifth was Ogden's bad inning. Delhi, the big right fielder, doubled when he sent one to Feltz and that gentleman fell in starting after the ball. Galens bunted to "Rusty" who threw wild to third, permitting Delhi to score. Siner went out at first and "Buck" Weaver landed for a single that scored Galens. After Potts had filed to center, Hester singled and took second when the ball bounced past Weaver. In the meantime Weaver scored.

After two went out in the seventh, Faye singled. Kelly singled and went to third on an error, scoring Faye. Hester gave Rustenhaven a walk in the sixth and then Woolums singled. Moorehead bunted out a sacrifice putting "Rusty" on third. Jones sent out a sacrifice fly, scoring the twirler.

Ogden secured the second tally in the seventh when Risberg lead off with a single and took second on Kelly's wobble. Feltz pushed him to another sack when he sent out a grounder to second. Levy singled, scoring Risberg. There is no telling what might have happened that inning as even the stalling of the Great Falls players to rest the pitcher was not succeeding in calming Hester. Perkins, however, swatted a hard one that was the cause of a double and the side went out.

## SALT LAKE BEATS HELENA

Salt Lake, July 22.—Salt Lake yesterday defeated Helena, 3 to 0, in one of the most evenly contested cloutfests seen here in many a day. Salt Lake hit Cooney hard and Helena likewise took very kindly to the offerings of Leo Dressen. Salt Lake won the game because it played better baseball at opportune times and because the team behind Dressen fielded sensationally. Another reason why Salt Lake came out on the long end of the score, even though the hits were equal, is that the Skyrapers stole everything except Catcher Crittenden's glove. The Helena catcher is still under the weather and in addition to his recent ailment, from which he has not yet entirely recovered, he now has a sprained wrist, sustained in a Great Falls game.

Sensational fielding by Schimpff, Pendleton, Davis and Huelman shut off several of Helena's best chances to score. In the fourth, Schimpff pulled Luss's line drive out of the air and set the fans on edge, and in the eighth, with two on, Pendleton duplicated the trick by spearing Cooney's drive one-handed. The two catches were exactly alike and were easily the most sensational seen on Lucas field this season.

## BASEBALL

**Detroit Takes Close Game.**  
Detroit, July 22.—New York could not hit Dausa's delivery and Detroit won, 2 to 0. Twice the visitors had a man on third, but sharp fielding prevented a tally. Ford pitched five balls in all except on inning, the seventh, when he was found for three singles and a sacrifice hit. In this same period he muffed a pop fly, but all this netted Detroit only one run. The Tigers' other tally resulted from Gainer's double and an error by Ford.

**Brooklyn Loses Game.**  
Brooklyn, July 22.—St. Louis with Salles in the box won its first game

of the season from Brooklyn today, 3 to 1. Although the Superbas rolled up a total of 11 safe hits it was not until the ninth inning that they were able to send a runner across the plate. In that inning they filled the bases with nobody out, but Wheat was the only man to score. He crossed the plate on an infield out. With Manager Huggins back after his long lay off, the visitors fielded in splendid style.

**Browns Shut Out Athletics.**

St. Louis, July 22.—With Mitchell steady in the pinches and receiving sensational support, the local team hit Brown when his meant runs and ran the bases in great style, winning the third game of the series from Philadelphia, 4 to 0.

The leaders had men as far as third base on four different occasions, but each time Mitchell tightened and retired the side. In the seventh inning, with one out, men on first and third, he fanned two.

Shortstop Bobby Wallace will not be able to play again for a month or more because of a broken bone in his left hand. He was hit by a pitched ball by Bush when he batted in the last inning of yesterday's game. Catcher Schang was relieved in the seventh inning after one of his fingers was knocked out of place by a foul.

**Giants 8, Pirates 3.**

New York, July 22.—The Pittsburgh team's hope of winning the National League championship received a severe blow when the New York champions twice defeated Fred Clark's men in a double header. The first game was won easily by the home club, 3 to 0, but the locals had to go eleven innings to win the second, 2 to 1. A crowd of world's series proportions, the greatest that ever saw a midweek game in New York, was present.

The second game was a pitchers' battle between Mathewson and Fromme on the New York side, and Adams for Pittsburgh. The visitors scored in the first half of the eighth, when Gibson tripled with one out. Adams popped to the infield and Snodgrass made a three-base muf of Byrne's line drive, scoring Menor, who ran for Gibson. Burns tied it up for New York for the second half when he hit a home run into the left bleachers. In the tenth inning Pittsburgh filled the bases, but failed to score. Burns again led the Giants to victory in the eleventh. His single opened the inning, and Shafer was passed. Fletcher popped to Miller and Viox fumbled on Doyle, filling the bases. Burns then scored on Merkle's sacrifice fly. Wagner was back in the game after a long lay off and struck out four times, twice in each game.

Cleveland, July 22.—With a changed lineup Cleveland defeated the world's champion Boston 5 to 5 today. The pitching on both sides was mediocre. Greig was wild while Cleveland drove Leonard and Haley from the box. Of Cleveland's hits, three were triples and three were doubles, and Joe Jackson, league batting leader, again went hitless.

**Pitcher Dasher of the Ohio State League,** reported today to the Cleveland team and Pitcher Cheney of the new defunct Interstate League reported to the Red Sox.

**Quakers Defeat Cubs.**

Philadelphia, July 22.—Chicago lost both games of a double header to Philadelphia today, the scores being 6 to 5 and 5 to 6. Chicago took a good lead in the first game, largely on drilled for extra bases and for files by the home team. The score in the seventh inning by bunting three hits with three passes by Lavender. Cravath's home run into the center field bleachers in the eighth inning won the game.

In the second contest Philadelphia knocked Humphries off the rubber in the first inning by scoring four runs on an error by Philan, a single by Paskert and a home run by Lobert and Ludrus. Chicago followed up two passes by Rixey in the third inning with two hits and a sacrifice fly. Chalmers then went in to pitch and a double by Mitchell and a single by Hershman ran the visitors' total for the inning to five tallies. The home team tied the score in the same session on Cravath's double and single by Miller, who batted for Chalmers. Philadelphia won the game in the fourth by bunting four hits off Reulbach with three errors and scoring three runs. Mayer finished the game for Philadelphia in good style.

**Senators Beat White Sox.**

Chicago, July 22.—In the ninth inning rally by Chicago made when they were almost beaten turned the tables on Washington and the locals won 5 to 0. With the score 5 to 0 in fa-

vor of the visitors, Collins doubled and scored on Fournier's double. Wagner was an easy out and Bodie, batting for Cicotte, drew a pass. Chappell purposely walked, filling the bases. Rath, who came up with two out and the bases filled, sent a long single to left, scoring Fournier with the tying run, and also Mattick who had run for Bodie, with the run that won. Groom was touched for a total of eleven hits, but the fielding behind him cut down the runs of the local team.

**Reds 4, Braves 1.**

Boston July 22.—Cincinnati won both games of a double header from Boston today by one run margins, the score of the first contest being 4 to 3 in ten innings and the second 3 to 2.

Three-fingered Brown went to the pitcher's box in the final inning of each game when Cincinnati seemed in danger of losing and both times stopped the Boston rallies.

Boston scored three runs in the fourth inning in the first game by bunting hits and the visitors did the same thing in the sixth. In the tenth after two were out Dodge singled and scored when Lord dropped an easy fly and then looted it.

A home run drive into the right field bleachers by Bates in the fifth inning of the second game while there was a man on base, gave Cincinnati the winning run. Boston filled the bases in the ninth with one man out after one run had been forced in by a base on balls given by Brown. Titus, a pinch hitter, flied to Devore and Meyer's was doubled at the plate.

## TOMMY HORN WINS

## CIRCUIT RACES

Buffalo, N. Y., July 23.—Straight heat racing marked the opening of the Grand Circuit racing yesterday and the Fort Erie Ont., track. The only contest occurred in the Dominion of Canada Stakes for 2:12 trotters. Tommy Horn carried away the first two heats but in the final Peter McCormick, equal favorite with Tommy, crossed the wire with a scant lead. The track was a trifle slow, the best time for the mile being 2:03.

The surprise of the day came in the opening of the 2:20 trotters, best three in five heats. Ed Geers, Bertha Carey won in straight heats. Bertha Carey sold as an outsider in the pools.

The 2:18 pace brought out Sthathorn and O'Brien Boy as the choices. Murphy had no trouble with the bay and ran in straight heats. O'Brien Boy finishing second in each heat.

Zombrower, W. L. Snow's gray mare, out-fought his first time, was expected to give battle to Walter Cochato in the Premier Stakes for 2:05 pacers, but failed miserably, getting the flag in the third heat. The gray mare refused to stay on her feet and her bad behavior nearly resulted in serious injury to Driver Walter Cox.

In the first heat, Zombrower broke at the three-quarters causing Cox to pull up Brannham Baughman. In the mix-up, Murphy driving Longworth B., sheered off the wheel of Cox's sulky, throwing the veteran driver to the track. He escaped with slight bruises.

## DESTROY LANDMARK

## OF PIONEER DAYS

Salt Lake, July 23.—An old adobe wall, the last standing ruin of the first mill ever built in Utah, the mortar undisturbed since it first was spread by the tread of a pioneer's foot in the fall of 1847, was yesterday attacked and almost entirely demolished by the city chain gang in City Creek canyon yesterday.

The wall was a part of the Crisman mill, built by George Crisman, with the encouragement of Brigham Young. The fall of the year that the pioneers entered the valley. It was not until the next fall that any wheat was to be had for grinding.

The mill was of the primitive burr variety and was of small capacity. By the time it was finished there were more than 2,000 persons in the valley and another mill had been started in Mill Creek canyon by John Neff. Both mills were grinding wheat grown on Utah soil before the winter of 1848.

The occasion for the removal of this old wall, one side and one end of the original building, was the preparation of the ground for parking. The tottering wall had also become a menace to children who habitually played near
